Job postings!

Renewable Funding - DBA (ETL) Dev

Rentrak - DBA

Question of the month...

Let's talk about 9.5.

INSERT ... ON CONFLICT

- !!!
- a.k.a UPSERT
- Peter Geoghegan

pg_stat_ssl

- new system view
- cxns using ssl or no, which cert, etc
- Magnus Hagander

pending_restart

- new column in pg_settings view
- shows if GUC value is changed in config, needs server restart
- Peter Eisentraut

IMPORT FOREIGN SCHEMA

- Get the whole thing all at once
- Sooo much easier than scripting!
- Ronan Dunklau, Michael Paquier, Tom Lane

IMPORT FOREIGN SCHEMA

- Get the whole thing all at once
- Sooo much easier than scripting!
- Ronan Dunklau, Michael Paquier, Tom Lane

FDW JOIN pushdown

- JOINs don't have to be done locally
- Should be faster, once FDWs start using it
- KaiGai Kohei

Discussion

Thank you!
